"Do be careful.

*Your blood is very—
sweet."*

Inaka and Hiyuki have revealed themselves as Angels — and they're come for Aka. As the blade of judgment falls down upon him, Cuna moves into action, and what happens after that is a night none of them expect to see...

The story continues in volume 4 of
the stylish vampire story

Cana Trelchhe

(pastor, captain)

The old who knows little does. Very selfish and severely misaligned. He has only his younger sister, Eriya.

Ala Kirito

An old friend of Cana's and a powerful vampire. The goal is to know how the world changes and return his brother home.

Eriya

An old friend of Cana's and Ala's younger sister.

Isaka Bonasteln

(pastor, priest)

Ishtia Miyapina

(pastor, priest)

The Priestess and the Priest of the Apostles must reveal their identity while the rest of the congregation.

"Slave"

An immortal creature, stored by a Vampire, the master to whom it is pledged to devote its immortal life.

Here is the tale of the vampire Ala and his medieval slave Cana. He wants to Cana every night he's alone in the game to find the secret weapon to revive his younger brother. One while the game goes on, Cana Ala and his love the "Temporary Slave" as a secret to collect information.

One day they are met by the beautiful girl like sister Ala to the source and Ala promises himself before the high society of the underworld, but later does he know that he has been followed by a creature Cana and his sister continue the gathering only to have someone to have someone's company.

To protect Ala, Cana fully reveals as a "True" Slave, and Ala succeeds in making the second sign from the source, an immortal figure under the Teutonic family. All seems to have made a turn in their lives when Isaka and Ishtia, the two members of the apostles council, make a shocking appearance.

Im Shranon

(pastor, priest)

Can't imagine, and a mysterious character. He's actually a vampire, but a member of the "Secret" group.

Im Shran, the Dealer

In the game, collect the secret weapon. He's the devil who of the game as well as the vampire. He's actually a vampire.

Eve Tashkita

A vampire and Ala's friend. She's a vampire, but she's not. She's in the game, but she's not. She's actually a vampire.

He is my only comfort
My refuge

We
are...

Angels.

ISUKA...

BERNSTEIN....!!

A-
ANG-UP

What?
President
Bernstein,
how is that
even?"

Nieaeg Dm

A
vampire...

"how"?
Look
around
you.

A lycan-
thrope...

In the
same way
that these
creatures
of the dark
walk freely
in the world
of man.

Indeed...
We must.

So, too, do
we Angels.

Angels
eh...

Since
when have
you let hold
authority
over life and
death?

For we are
the justice
which cuts
down the evils
conspiring
under cover of
darkness.

I merely
acted out
of mercy.

To say
that thing
had still held
life would
be a lie...

I've watched
the darkness
spread its tendrils
throughout
this city at an
alarming
rate.

Since
you came
here.

I've spent
some time
observing
events from
afar.

There
are truly
many little
things
as I have
learned.

Hold the
power to
lead men
astray.

Now, your
eyes—

But not
for the
simple
reason
that your
blood—

It's
going to
be the
day
that
you
will
lose a
precious
thing...

But by
no means
would it
end with
this city...

If anything,
the final
loss with this
game for the
Stigma...

A world
will
disaster
for the
entire
world

...for choosing
this city as its
gameboard.

We
of the
light
shall
bring
you to
heel.

But
before
it should
come to
that.

Well...
you seem
to be pretty
sure even
without
those "light"
followers to
control
with.

This
is going
to turn
up...

Not
to mention
ability-wise,
powers drawing
from the Dark side
tend to be less
than effective
against those
types. Just
be on your
guard!

You need
to be on their
side, right? So
if you can talk
him down
from this

ambush

Aki!

Me?
Don't lie
around, I said
those three a
long time ago,
and you know
that as well
as anyone!

You're
supposed
to be
watching
Cai!

I can take
care of
myself!

MY BODY
STILL FEELS
KIND OF
STRANGE.

I got
your
back.

I don't
think so,
Ears.

You're
with me.

WHO'D HAVE
THOUGHT WE'D
GET INVOLVED
WITH OUR
OWN STUDENT
COUNCIL... LIKE
THIS??

Now
this..

searching
for the powers of demons,
stealing and being stolen
from alike, all
in the name of
two very different
creeds.

Two
players,

This
is how
the game
should be
played.

Now as
for you,
Cana.

Real
cremiers will
jump at any
opportunity
to make, no
matter how
debt-ridden
you are.

You will it
can't exactly a
million of a
few gentlemen
drinking down
their glass and
challenging
one another
to death.

But it's
not fair.
Alc's so
weak right
now, he
can't...

A VOICE
RINGS
INSIDE MY
HEAD...

What
will you
do?

The only
question is...
how will you
use them for
the good of
your master?

Now
that you've
awakened to
the powers
held by a true
Sister...

But I'm
sure you
already know
the answer
to that...

Don't you,
virgin...

**Mister
Angel.**

Going
after a
guy who's
too strong...
That's some
kind of
"justice".

I could
stand to
learn a
thing or
two from
you.

I suspected
even you would
be substantially
weaker directly
after absorbing
one of the
Singers...

I was
right to
stay my
hand until
then.

**Aki
Kiritō.**

Know that
I bind you,
no I'll will.

IT IS
YOUR
BLOOD I
CANNOT
ABIDE.

My
blood...
Huh...

Stop.

...I will
protect
Aki.

I DO
KNOW
WHAT
TO DO.

Can...
Takachiho...

NO ONE
CAN FOOL ME
INTO DOING
ANYTHING
"AS A SLAVE."

but he
never said
anything
like that;
YOU did!

You seem
to think
that Aki will
destroy the
world if he
has the
Stigmata,

Before
he's a
vampire,

Before
he's a
Pure-
blood,

Aki is
Aki!!

AND
I AM
ME

Minotaur
looks a little
out your
skin.

Had you not
been infected
by the monster
blood, then
perhaps...

Come...

Move...

Such
beauty...

A sacred sword...

This blade is sacred.

I CONFER
UPON YOU
THE
JUDGEMENT
OF THE
LORD.

Immortal
as you are,
even you can
not survive
its deadly
curse.

SLASH

The
sacred
sword...

...Eh?!

THE PAIN...
IT'S... FADING
AWAY...?

Sage
Up

Your
ghost
is as
good as
gone...

I think
the sword
told of... fell
apart on
its own

Come...

What
just...?

I'm just
glad...
you're
okay....

Br
10/10

BUT
THAT ISN'T
THE WHOLE
TRUTH.

No...

It's alright,
Aki... I feel
fine.

...Oh.
Right...

TO BE
HONEST,
IT FEELS
STRANGE,
AS THOUGH
I COULD
SHATTER
INTO PIECES
AT ANY
MOMENT.

MY BODY
AND MIND
ARE BEING
DRIVEN TO
NIM EVEN
NOW.

I DON'T
WANT HIS
"BLOOD"
TO BE THE
REASON I
FEEL THE
WAY I DO.

BUT AKI
IS AKI, AND
THAT'S ALL
THERE IS
TO IT.

tsukuf

But
if we keep
this fight
going much
longer—

Ah?

Something's
happened to
the stone

At best,
I can tell,
the magic's
been sucked
out of it. It's
returned to
its state
for the time
being—

It doesn't
seem to
be broken,
though

Very well. We will
withdraw for
now, in honor
of the miracle
Cassius has
performed
this night.

Stay
steady
from
Cana.

I will be
keeping
a very
close eye
on you.

Ald
Kirito,

But as
one who
watches
over the
darkness.

ONE TRUTH REMAINS.
THE STIGMAS MUST NEVER BE GATHERED.

THAT
AST
IT!

Why,
of course
you really
will see
looka!

Yes?

President
Bernstein...?

As I said
before...

Why are
you sitting
here eating
lunch with us
like you've been
doing it since
day 1? Huh?
am I?

I must
keep an
eye on
him.

!

After some
last offer
hand we'll be
really busy
helping the
Student Council

And
after
that,
um...

THAT is my
justice.

And I intend to
remain vigilant.
From the crack
of dawn to the
last glimmer of
twilight...

...YOU'RE THE
CUNNY TYPE,
AREN'T YOU?

...And
After that,
you'll be
helping us
decorate
the Student
Council
Office.

BUT...

AS
LONG
AS ART'S
HERE,
TOO...

Let's
go.
